CLEARINGHOUSE RULE 95-136

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

- a. In the introductory clause of the rule, the recitation of the various treatments contained in the rule-making order are not in their proper sequence. [See s. 1.02 (1), Manual.]
- b. In s. A-E 2.05 (2) (a), could “make an inquiry as it finds necessary to” be deleted?
- c. In s. A-E 4.05 (3) (a), “or more of” should be deleted.
- d. In ss. A-E 4.05 and 4.06, the use of “(EAC/ABET)” is inconsistent. These provisions should be reviewed and reconciled. It is suggested that if the abbreviation is retained, it should be defined in ch. A-E 4.

5. Clarity, Grammar, Punctuation and Use of Plain Language

- a. In s. A-E 4.06 (1), a comma should be inserted before “shall be deemed.”
- b. The period after “s. 443.04” should be deleted in s. A-E 4.05 (1) (intro.).
